

CHAPTER 427
TRAINING FACILITY CERTIFICATION
SUBCHAPTER C

TRAINING PROGRAMS FOR ON-SITE AND DISTANCE TRAINING PROVIDERS

§427.305. Procedures for Testing Conducted by On-Site and Distance Training Providers.

- (a) The requirements and provisions in this section apply to procedures for periodic and final testing conducted by training providers. For procedures regarding state examinations for certification Commission examinations that occur after a training program is completed, see Chapter 439 of this title **(relating to Examinations for Certification)**.
- (b) Periodic and comprehensive final tests shall be given by the training provider in addition to the Commission examination required in Chapter 439 of this title.
- (c) Periodic tests shall be administered at the ratio of one test per 50 hours of recommended training, or portion thereof. An average score of 70% must be achieved on all required periodic tests.
- (d) In addition to periodic tests, a comprehensive final test must be administered. **The final test must be conducted in a proctored setting. For purposes of this section, a proctor can be an approved TCFP Field Examiner, or a member or testing center of an educational institution. A passing score of 70% must be achieved.**
- (e) If ~~a~~ a ~~[the Fire Investigator]~~ course is taught in phases, ~~a~~ a ~~[one]~~ comprehensive **exam for each phase** ~~[final test]~~ shall be administered upon completion of **each** ~~[the final]~~ phase and a passing score of 70% must be achieved.
